

**Community Center Activities Committee**  
**July 1, 2009**  
**UOC Quarterly Report**

Dear UOC:

I am pleased to announce that my committee at our May meeting, voted to accept my roll as chairman for the term 2009-2010.

On review of our year organizing and carrying through with many activities for our season [2008-2009]:

- All monthly social events were sold out.
- Our Country Barbecue and Line Dance Event on April 24, 2009 was sold out and attended by couples and singles alike.
- "Cocktails on the Patio" will continue all summer [Look for signs at the gates and PLCA E-mails for date and time }.
- Bingo and Trivia remain popular Activities Committee sponsored events. All our events paid for themselves [in fact, we have a positive cash flow].
- Our committee recruited George and Vicki White to manage press leases creating a positive image of Pelican Landing
- Our focus on a major charity Event in March, raising over \$10,000, brought goodwill to our Community of Bonita Springs [ The Literary Council of Bonita Springs and The Cafe of Life were the recipients].
- All our major social events were photographed by our committee member, Brian Hemsworth.
- On examining our PLCA Activities Planning Format, we have added under major strengths:
  - To welcome and encourage new residents to participate in all our Activities Committee events.
- Under major needs of our program, we have added:
  - To encourage new committee members and their new ideas.
  - Continue to plan activities that singles can feel comfortable participating in.
  - Creating opportunities for committee members to become leaders in the community.
- In our next season[ 2009-2010] look for:
  - The formation of a Theatre group [to attend local performances].
  - A bereavement Group
  - An expanded "Artist Night"
  - A revolving "Art " exhibit in our Community Center
  - A joint event sponsored by The Beach Committee and the Activities Committee.
- Our long term goal is to continue to be creative in organizing and sponsoring activities and events that meet the needs of our community.

Feel free to contact me with your thoughts and ideas. Your participation is encouraged.

Sincerely,

Barbara Taefi  
Chairman of The PLCA Activities Committee
