

# Pelican Landing Community Association Request for Funds

Initiator: [Marie Martel](#) Date: [6/18/08](#)

I. Proposed Amount to be Approved: [\\$ 3,600](#) Funding Source: [Reserves](#)

(Note: Expenditures over \$1000 require three bids from vendors)

II. Purpose of the Request:

To repair sink holes that have appeared in the beach parking lot.

III. Background:

Upon researching the cause of the problem it was determined that the fill had deteriorated due to materials used in the process of building the lot. Three bids were obtained to put in the proper fill and resurface the problem areas.

IV. Alternatives Considered and Reasons for Rejection:

There are no good alternatives to this process; leaving the holes or not properly filling them will cause more wash out and be a liability for residents using the lot and for the PLCA shuttle bus.
