

Pelican Landing Community Association Request for Funds

Initiator: Administration Date: 10/15/09

I. Proposed Amount to be Approved: \$ 20,000.00 Funding Source: Reserves

(Note: Expenditures over \$1000 require three bids from vendors)

II. Purpose of the Request:

To hire a Structural Engineer to inspect the bridge and write a RFP to obtain estimates for the repairs needed.

III. Background:

There has not been a need to have repairs on this bridge until now. Repairs need to start being made to keep the bridge safe. By doing repairs as needed, it will cost less than waiting for a number of repairs to be done at one time.

IV. Alternatives Considered and Reasons for Rejection:

Wait until the bridge needs extensive repairs thus costing PLCA more money rather than making small repairs as needed.
